Imagine – Family Spectacular!

Artscape – Saturday 3rd June 2017

Dear Parents and Students

Our fundraising show day at the **Artscape Theatre, Cape Town** is fast approaching! The response to ticket sales has been remarkable – and we are pleased to announce that we have added another performance to cope with the demand. There will now be a third performance at 5.00pm on Saturday 3rd June.

Do you have your tickets yet?

Important:

Our voucher promotion is now closed. Note the voucher tickets distributed are not valid for entry to the show. Everyone wishing to see the show requires a seating ticket. If you took advantage of the promotion and purchased your seats, please speak to Dawn to secure your seating tickets.

The tickets for the shows are selling out fast.

The 12 Noon Show is now fully booked.

Tickets for the 2.30pm (almost sold out) and 5.00pm show are available from Computicket only. There will definitely be no further performances added. Once these tickets are sold, you will no longer have an opportunity to experience this amazing show.

This is a special day for the College of Magic. It will provide a wonderful opportunity for our students to perform and gain experience in a professional theatre, while at the same time raising much need funds for our organisation.

I will write a letter next week with full details about how our special day at Artscape on Saturday 3rd June will run. Thank you for your co-operation with rehearsals.

Yours magically

David Gore
DIRECTOR
